Hi **[First name of Editor/Blog Owner]**

I know you get a lot of emails from people looking for your insight, so I'll keep this short.

I'm **[your name]** with **[your blog]**.

I've been published on **[state which sites with a link back to the article]**. I would love the opportunity to be

able to contribute to the **[name of site you're pitching]** community as well.

I have an idea for a guest post that your readers will find interesting.

The topic I'd like to propose is **[state title of topic]**

In this post, **[give a gist of the topic and the subheads]**

As per your submission guidelines, I have provided the **[Google docs link, pic attachment or alternative headlines. State what you are attaching with the email or document]**

I hope you'll find this to be a good fit for the site.

Thank you so much for your time and consideration
